Tell me about your usual daily routine?

Well, usually I wake up around 8a.m. I always have a cup of coffee while I review my study notes over breakfast. Then I normally take bus to school. Before class starts I often meet up with my classmates in the corridor and we gossip a bit about life and school. After school, I always go straight home and then start on my homework while my mum cooks me dinner. I usually go to bed at about 10 pm.
