

## **FORMULA 4: What do you dislike about X?**

***What do you dislike about parties?***

***What do you dislike about eating in restaurants?***

- 1. Identify which aspects of the topic you don't like- name just one or two things.**
- 2. Describe the degree of dislike you have for them.**
- 3. Give examples why you don't like them**

### **What don't you like about your job?**

I don't particularly like my job. I'm not interested in the field I work in, and I don't like my manager or many of my colleagues very much-they're all so boring. But what I absolutely hate about my job is the commute. It takes me about 2 hours to get to work; I have to travel during the rush hour on the subway and public buses which are always jam-packed with people-it's terrible!

### **Phrases:**

I'm not keen on

I absolutely hate

I'm not really a fan of

I thoroughly dislike

I can't stand

### **Practice:**

1. What do you not like the place where you live?
2. What do you dislike about travelling or going on trips?
