When was the last time you went on holiday?

The last time I went on holiday was about 3 years ago...in February 2009. My family and I went to Hainan for 2 weeks during Spring Festival. Hainan is an intriguing place to visit because of the Li and Miao minority culture in the west of the island-my family and I drove out to the mountains there, trekked in the Forest Reserve and then learnt how to scuba dive. I really can't wait to go back there!

When was the last time visitors came to your house?

The last time visitors came to my house was just last week. It was my brother's birthday, and so I secretly arranged for a few close friends to come over for dinner and drinks. Although it was difficult to keep my brother from finding out, it was quite exciting in a way and certainly a bit of a challenge in the end, everything went to plan and we all had a great time- it was definitely a really enjoyable evening.
